

Ring in the New Year with Karbonn's special smartphone range

- ~ Embedded with the best looks and maximum features, Titanium Moghul offers best at INR 5,790
- ~ A marriage of beauty with brains, Titanium S205 2GB makes for an attractive choice for the discerning consumers at INR 6,790

New Delhi, December XX, 2015: Strengthening the success of Titanium smartphone series in the market, Karbonn- the leading homegrown Smartphone player, launches 'Titanium Moghul' & 'Titanium S205 GB' that seeks to offer the perfect combination of style with substance at a competitive price.

Titanium Moghul offers best in segment smartphone features which include 1.2Ghz Quad Core Processor that makes the device a true multitasker along with 2000 mAh long lasting battery. The smartphone is packed with 1GB RAM + 8GB ROM which is expandable to 32 GB. It offers an 8MP auto focus rear shooter with LED flash and a 3.2MP front camera. There is even more to it, Titanium Moghul features color effects, panorama, HDR, Burst mode & HD Video recording to make your pictures & videos perfect for the moment. The device has dual SIM support with faster 3G connectivity. The outstanding 2000 mAh battery of the Titanium Moghul has the energy to last all day and then some. You're never going to run out of juice when you need it the most.

Titanium S205 2GB sports a 12.7 cm (5') HD IPS Dragon Trail Glass with capacitive display. This stylish and sleek smartphone runs on Android 5.1 Lollipop with a 1.2GHz Quad core processor. Addition to the brilliant looks, S205 offers an attractive User Interface with beautifully displayed icons. The excellent camera clarity allows you to capture the perfect family moments with an 8MP auto focus rear with 3.2 MP front camera. The device offers an extensive memory space which allows one to carry the whole world on smartphones. It offers 16 GB in-built memory and is expandable up to 32 GB SD card.

For all the music lovers, the device gives an opportunity to enjoy an ultra-long playlists, favorite movies & games uninterrupted with strong battery backup of 2200 mAh Lithium Polymer battery that keeps your S205 charged for almost anything!

Karbonn Mobiles:

Karbonn Mobiles, a leading Smartphone brand in the country with numerous accolades under its belt, was started in 2009 with an aim to bring the benefits of Smartphone telephony to the masses. Within a short span of time, Karbonn has become the brand of choice of the discerning mobile consumer in a country which has one of the fastest growth rates in mobile device consumption. A joint venture of New Delhi based Jaina Group and Bengaluru based UTL Group, Karbonn was spearheaded by Mr. Pardeep Jain, Managing Director and Mr. Sudhir Hasija, Chairman, both veterans in the telecom sector with over twenty years of experience. Headquartered in New Delhi, Karbonn offers a range of
